Dan well remembers the Ford station wagon leaving Guelph, Ontario for the last time before Ella (Mary) & Joe & family set out on their long journey to move to Florida in about 1957. Since then there have been many happy memories of times spent together both in Ontario and Florida and we treasure them all. Mary had a generous and caring heart and a great love of family. She was an efficient business head, an organizer, and a hard worker. She had a great sense of fun, a hearty laugh, a generous spirit, and was always welcoming. We remember our first taste of pecan pie, her famous potato salad and her coconut cream pie. We remember trips to the beach with Mary and Joe, card games, and the awesome Caribbean Cruise with Mary, Dorothy, and Laura where we relaxed and enjoyed just being together. We love Mary very much and will miss her. We think of each of you and how special she was to each of you and we will continue to hold you in our hearts and prayers. May the many memories that you have of her bring you comfort and as you remember her she will live on in your hearts. Lovingly, Dan and Leila
