Lynn, Judy, Eva, Billy & Beth, you have my sincere condolences. Your Mom was a super person and will be thought of by me forever. Your house was like my second home. I wonder how many times your Dad or Mom must have thought "is he ever going home". Yet I was always treated very well. Some times Your Gram would get after me but I probably deserved it :-). One of the many good times I remember was when your Mom took Eva and I to Bombay to swim in a creek. Nothing spectacular but none-the-less seems like we had a great time. I am sorry for your loss but I am pleased she and your Dad are together again. Once again, my condolences. Fay Hazen

Thinking of you and your family; we used to go to Cotey's store and get some groceries and gas. I went to school with Bill and Beth.

I am so sorry to hear that your mother has passed. I remember her working hard along with your father and yet willing to drive Eva and I home from school functions. I still remember riding to Watertown several times with her and how she drove moving the gas pedal up and down constantly! May all of you be comforted by the good memories.
