To my Aunt Sandra, You will always be in my heart and Moms as well. We couldn't tell you about your brother (my Dad) or my brother Andrew because of your condition. But we know if you knew and were ok you would have been here no matter what, that's what made you so special. Well now you are with them in Heaven rejoicing !! I will always have good memories of our times when we would all get together at Grandmas for the holidays and when I was growing up, you made sure I had a Farrah Fawcett hairdo when I was 12 and always wanted the best for me. Thank you for always being there, you are a wonderful Aunt. It was good to reconnect with you before you got sick, we talked almost everyday on the phone and prayed. Thank God for that. love you always.

Aunt Sandra.. I remember when you brought me to the pizzeria off of 5th avenue in brooklyn.. you thought you saw the " son of sam".. and dragged me all the way home. This is not the only memory though.. You were there for me when I was pregnant with gabby and gave me the support that I really needed at the time.. So Thankyou.. for these memories.. for being My Aunt. I Will Love You Always... Michelle B Figueras
