Aunt Shirley will always be remembered for her caring attitude and ready smile. She provided many childhood memories for us to remember fondly, from visits to the house on the hill in Vermont, to trips to Four Corners for swimming, to the drive-in movies. She was always ready and willing to work to please those around her. This also showed in her delicious baking which we still talk about among the family. Aunt Shirley's strength of character made her someone whom others knew they could always rely on. When I think of her, it is her hearty laughter which immediately comes to mind, and I can't help but smile once again, recalling the laughter we often shared together. May she receive many blessings in return for the many ways in which she brightened the lives of her family and friends! Kathryn O'Neill, Toronto, Canada

Our heartfelt sympathies go out to you, Janice and Bob, and Randy. Your Mom was such a delight, and the best baker ever. She always had a smile on her face, and a warm welcome. We loved her and will miss her very much. Just know that one day we will all be reunited in Gods' heavenly home. She is now out of pain, and with the love of her life, your Dad, and many more family members and friends. I bet she's chatting away right now, and laughing and having a good time. We love you all, and God bless each of you.
