God will never have to worry about another fire anywhere in Heaven, he has one of the greatest firemen up at his right hand! Bud was a great friend and "boss" taught me a lot in his craft that I can still use to this day. He was the reason that I joined the Eggertsville Hose Company back in 1981. We know that he is in Heaven having herd, "well done thou good and faithful servant" To the family, may our Lord wrap his loving arms around you and give you strength during this difficult time.
