To Dakota's family, I worked with Dakota for two years at HMS. I remember his sheepish smile looking up at me through his long blonde hair, with his big blue eyes waiting for me to "save" him from the "mean" teachers, as he used to say. He was an awesome kid, that brought joy to my classroom. I will always have a special place in my heart for him; after all, he was like "my at school son." Rest in Peace, Dakota.

I can't believe it's been almost a yr since we lost you. Dakota you were a wonderful, helpful young man. Always worked hard to make money. I miss your contagious smile, your laugh and your floppy blonde hair! I so wish I had the chance to see you last year before you left us. I think of you often, how I miss seeing you come down the block and hang out for awhile. R.I.P Koda, just know how many people loved you & how much you are missed. Really miss you helping me around the house when I came down on vacation every yr. Truly miss you buddy! I saw your brother last week was painful to see him. Reminded me of you. Ride happy in heaven, we shall all meet again one day! Going back up north on the 13th. Just wanted to let you know how much you are missed! My thoughts and prayers to your family too. Your former neighbor and friend, Cindi

Your are missed and loved so much Dakota. We are forever grateful to have had you in our lives. I'm going to miss your smiles, our fishing trips, and riding the quads with you. You're a wonderful nephew. You always lit up the room where ever you were. You have a beautiful heart, a positive attitude, and you were so full of life. You always lived life to the fullest, and very rarely stayed idle. We as adults have a lot to learn from some one as incredible as you. Not by my side, but in my heart, forever. Love you lota Bear.
