Dear Mrs. Curtin, MR William Curtin I still see his face and kind expression as I think about him always. I am still in shock that he is not here that I could talk to him personally he was my hero and will always be. I still listen to his voice many times throughout the year, because when he called me with his caring voice to put out a hand he was there and left me many messages on my phone. Mr. Curtin he left a great impact on my life he is missed everyday in my life. I miss my friend greatly on a daily basis, I think about him a lot and waiting for his call from such a wonderful man. He made me laugh and smile when we talked or I would see him in the bank. I miss my friend and he knows it as I am writing this, I feel very sad that my friend is not here to talk to. Mrs. Curtin I am deeply sorry and my prayers go out to you and the whole Family, Best Wishes and May the Lord give you strength every single day. God Bless you and the entire Curtin Family. Sincerely, Glenn Makuch and Family

My Father-in-law was a wonderful man and I was honored to become a part of his family when I married his son, Bill. He was such a devoted husband, father, and grandfather. He made us all smile with his kind disposition and his quiet words. He never talked just to talk, if he spoke it was to say something meaningful. I will always be thankful to him for creating such a wonderful person that I have been lucky enough to marry and have a family with. I will miss my father-in-law so much and will always share my thoughts and memories of him with his grandchildren. We all look forward to seeing him in heaven one day. Monica Curtin
