The first thing that comes to anyone's mind when we think of georgie is smiles with laughter to follow. That little boy has blessed us all with the happiness he delivered into our hearts. I want to thank George and Tiffany for giving us the opportunity to get know someone as special as our Baby Georgie. Even though he is gone I can't help but smile, because that is how I will always see him. A child that made the world a happier place. We love you George and Tiffany. Our thoughts and prayers are with you.
