Aunt Rolande & Family, We were so sorry to hear of Uncle Pat's passing. I watched Red's video of his visit with you and it brought back all sorts of memories of fun times we had when I was young. Wishing you peace and comfort at this sad time. Love, Hope & Steve Miller, Enfield, Ct.

I have been trying to find the right words to express my feeling of emptiness and loss. My Dad was my world as a little girl growing up. I always thought he could do no wrong and could move mountains if he wanted... As I grew up I realized what a special man God had blessed this family with. His love for his children and family will continue for generations to come. I am just so glad that my granddaughter met her great grandfather and loved him as much as I did. She will always remember her grand peperc.. Daddy we miss you so much it hurts but we know you are with your family in heaven and that you are no longer in pain.... We will take care of Mom for you.. Rest in Peace... Until we meet again... Love forever your daughter

This man helped bring this world from dirt to bridges (literally)!! My Pepere was strong, driven, supportive, HILARIOUS, and humble. I will never, EVER forget his bright blue eyes and amazingly beautiful smile. For years he teased us kids and was hesitant to tell us he loved us back, but that was only so he would hear us tell him we loved him over and over again! His flirtatious ways, quick jabs, and stories upon stories will forever keep this family together and smiling. I can't wait to tell my daughter the stories about his first times seeing her. "Holy crud, HE'S a heavy one!" The extreme sadness and brokenness I feel is purely selfish. This man gave us 92 strong, long, devoted years on this cold earth, now he is above the clouds with his other dear loved ones enjoying eternal happiness. Here is to OUR KING, LEADER, ROCK! OUR PEPERE! May you look down upon us with confidence, contentment, and be pleased in the values and morals HE taught us. Time to make HIM PROUD! An ANGEL has definitely GAINED his wings! 2/9/1919 - 5/22/2011
