This world has lost a wonderful Christian lady. She has been our friend for 57 years. At first she and Bill were church friends, but became personal friends and we have stayed in touch all of these years across many miles. We spent many hours together socially--including on camping trips together. She was a faithful, diligent worker in the Church of Christ (wherever she lived). She was concerned about others and especially cared about everyone going to heaven in the life after this life on earth. Mike and family, may God give you comfort and peace as you mourn the passing of your dear mother.

I am so sorry about Mrs. Spitzer passing away. She and her husband were very special to me and very influential in my life as a child at Wildercroft Church of Christ.
