My beloved brother Mikey you were an amazing brother, husband and father. You will be dearly missed. I have such fond memories of you. My recent memory was when I came to visit in March and we lost each other in your backyard and I had to call Kenny to see where you went. We kept going in circles missing each other. We were hysterical laughing then and I still am thinking of that day. I know you are laughing now too! I am so happy that we spent that time together I will cherish that always and forever. We lost an amazing man and heaven now has an angel. Give everyone hugs and kisses. I love and miss you dearly. Love always your sister Ann
