Earl Thomas Huff Jr.

JUL 8, 1955 - DEC 2, 2014

Earl (Tom) Thomas Huff, Jr., 59, Spring Hill, Florida passed away peacefully in his sleep on Tuesday, December 2, 2014. He was born in Oregon to Marvin Cline and Emma Jean May and adopted by Earl T. Huff, Sr. and Letha May Huff. He will be dearly missed by his loving family and friends. He was preceded in death by his beloved sister Cheryl Peterson.

He is survived by his daughter Ryann Lynn Huff; son Chase Thomas Huff; grandchild Daynia Raven Huff; and members of the Cline and May family originally from Oregon and Washington. He was a highly skilled tool maker by trade for his family business Huff Carbide Tool, Inc. until his retirement. He was a loving, kind, and generous man, with an impeccable sense of humor, and occasionally bad timing. He was a very talented natural musician who passionately loved music. He cherished every moment with his family. He loved to tell jokes and make people laugh. He was a staple in his family, and he kept everyone on their toes. He made friends with every one he ever met and people loved and cared for him dearly. His family believes that his purpose on this earth was selfless as his existence was to serve others in their spiritual mission to become better people. He loved fast cars, motorcycles, the outdoors, holidays with family, good food, and adventure (whether he knew it or not). His life was full of adventure and humor, and his being was effortlessly comedic. His memory will be cherished eternally. Visitation will be 12-2pm Sunday, December 7, 2014. Funeral service will follow at 2pm at Grace Memorial Funeral Home 16931 US Hwy 19 Hudson, Florida 34667.

Art Camp posted:

Tom once invited me over many years ago to hear a few songs that he had written. Before I knew it he had his guitar out and was playing and singing. I was truly impressed. I sat there in his house completely stunned. What a voice and talented musician he was. Up until then I never knew. Those songs could've been published. I know it. He was that good. Right up there with Crosby Stills, Nash, and Young. And I remember telling him so. RIP Tommy! Keep on singing and playing your music. --Art Camp
