When ever I ran away from home, I always let Aunt Terry and G.G. know where I was. We were only 8 years apart in age. I will miss her everyday, just as I have G.G., and my Dad.

Dear Gary and Family, Terry will always be in our hearts as we shared many laughs together. Her laugh was one that when she laughed everyone around did also. Working with her in the Ladies Aux. at American Legion 186 are times I will treasure. Terry 's faithfulness to any cause she was supporting was a dedication you don't see very often. Our thoughts and prayers are with you all. With deepest sympathy Chuck and Ann Marie Van Horn

Wendy, Steve, Danny, You are loved. She was loved. I don't remember ever hearing your mom complain. I only remember her laughing and smiling. My heart goes out to you, Gary and your families. She will be missed. Aunt Kathy

From your Big Sister Babs: Letter From Heaven When tomorrow starts with out me, and I'm not here to see, If the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry. The way you did today. While thinking of the many things we didn't get to say. I know how much you love me as much as I love you, and each time you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart for every time you think of me I' right there in your heart. Say hello to mom and gene for me, Love always your big sister.
