Shared many a delicious dinners at Miss Donna home...She was so giving, helping, caring, compassionate person. When we were homeless she took our precious pets. We worked with her at Project Hope and served dinners to less fortunate all in the name of GOD. God Bless you Miss Donna .YOU will be surely missed but one day we will meet again in Our Savior's beautiful home. Joe and Sherry Frank

You were a great neighbor to Dean and I. This poem will help how we feel:God Took You To His Loving Home God saw you getting tired, a cure was not to be. He wrapped you in his loving arms and whispered 'Come with me.' You suffered much in silence, your spirit did not bend. You faced your pain with courage, until the very end. You tried so hard to stay with us but your fight was not in vain, God took you to His loving home and freed you from the pain. AnonWe will miss you!Dean and Sandy Griffin 5-2-2015

Donna was our pasteries lady. She would be waiting outside the warehouse every Thursday at 6:00 am waiting for my husband and I to get the doors unlocked . She would go in and get all the racks ready to put the pastry and bread on . She just loved setting up and was so nice about welcoming everyone to our food bank. She was the first one there and one of the last to leave . She enjoyed getting and giving hugs to us all . Everyone knew her as Momma Donna . She was greatly appreciated and will be missed by all.
