To my dear BFF Hope of many years, my heart is broke, I will miss you forever. We had a lot of adventures together through the years that I hold dearly in my heart. You had a kind loving heart, always there for a friend in need, especially for your family, your oldestsister Barbara Carroll and many of your Nieces and Nephews. You will be missed bynot only your family, also by many friends. Your sister Barb and nephew Sonny wantme to tell you that they love you forever and miss you terribly. I will love and miss youforever, until we meet again my friend, Kathy Burger (aka-Tuesday)
