Bette was a great co worker, great friend . She always greeted me with a smile and a hug . She always had a listening ear, She was always there for me, I could always trust her with my deepest darkest secrets. Fun to hang out with. I thought nobody could out shop me, but she could. She would shop till you drop. She could not pass up a bargain. She always found great deals .She loved showing me her jewelry deals she bought off TV. Keep believing in Jesus and we will all see her again.
