Our thoughts and prayer for God's peace and comfort are with all of you. Bonnie and I often sit and reminisce about the fun times we had as kids, playing together with all our cousins at gatherings. Bonnie would tell me stories of when she would spend the night at Aunt Edna's house and how she loved sleeping in a room full girls and the fun they had being all piled in one room (imagine that these days..lol). She use to tell me that each girl had her own crinoline for her dress hung it on a nail beside her bed so it wouldn't get messed up or wrinkled. Those are the memories we will carry in our hearts about our dear cousin. We will keep you all in our thoughts and prayer each day and know that all that know our Lord and Savior Jesus Christ, will be reunited one happy day. I love you, Aunt Jeanette & will always hold my wonderful memories, of you. I always loved your laughter & watching you, mom & your sisters & brothers sharing stories & your love for each other. You had a green thumb and I will continue to think of you, at the sight of beautiful flowers blooming. My Sunset Hibiscus bloomed its first flower, on the very day you were called home. We will miss you and our hearts are heavy, but I have comfort in knowing that we will be reunited again, in Heaven. 😊🙏
