Thomas W. McMahon, Capt. Usn (Ret) posted:

Our condolences to Herbert Snyder, his family and friends from the Navy GCA-ATC Association of which they were members and participants in many of the Association reunions including the last one in Olathe, Kansas in early September 2016 where Ellie became ill and was hospitalized. Many prayers were said which we believe God heard and answered and gave her a few more months on earth before her passing in January which we were not aware of until recently. She was many wonderful things to many people, but to Navy friends she was a "Navy wife" who stood by her husband through his naval career and beyond and was esteemed by all. As the Association Chaplain, please know that our prayers are with you all. Peace be with you, Thomas W. McMahon, Capt. USN (ret)

I have always been happy to know that my mom had such a dear friend in her cousin Eleanor. The memories of the two of them together as adults are special. Finding photos of them as children and young adults is priceless. May the two of them continue laughing and loving in the arms of the Lord. xoxo
