Vic-Your dad (and mom) were both so sweet. I loved the memory video, especially the older pictures. Your dad was SO handsome. You and all those that knew him have a lifetime of wonderful memories of a great man. Wish we could be there for the memorial.

This picture says it all, doesn't it? He loved his family and that was evident in watching them together. He laughed with them and so enjoyed just being in their presence. His legacy will always be rich by those he touched in his journey. He will be missed, but never forgotten.Sallie Hogancamp

I've known Mr. O. since 1970, when I first met Vicki. He was always cheerful and welcoming to the many people who visited his home. His picture here says it all, and that is how I remember him. A big smile and a little chuckle. When I think of him I think of GOLF. After his family, that was his big love. So glad we had a good visit with him this summer at Wendy's in Michigan. RIP Mr. O. We will surely miss you.Love , Ted and Kendra

My most sincere condolences go out to Bill's family, I had the pleasure of playing golf with Bill and the group on Monday's and Friday's for four years and cherished many fond moments with Bill. He always greeted me with a hand shake and the most brilliant smile I'm sure he will be missed by all, he never had a bad word to say about anyone just words of encouragement . May God grant him a place with the love of his life by her side in the gates of heaven I'm sure he is looking down on us with that beautiful smile, may you go in peace old friend , Steve Peryea
