It is with great sadness that I pass the news on to you all that our very good friend and guitar player Bob Thomas passed away today. He was definitely an old soul from the great days of music, and was a mover and shaker in New York City in the 70s and 80s. When he moved to Florida he became very well known and was in the man from many musical groups. This picture was taken just this past February at a gig he and I played in Ybor city. He was witty, smart, a great musician, and a wonderful friend and he will be missed.
