Frank was a successful business man and owned and ran CBT Campus in Tarpon Springs for 10 years with his wife, Kim.

So sad to hear the news of Frank's passing. My brothers and I grew up with Frank and his siblings on the same street in Caledonia, NY. While it has been years since I've seen him personally, I have fond memories of Frank from my childhood. He played the tuba in the School band and I played alongside him in the marching band. He was always considered family and was always part of various football, baseball and other sports we played as kids, usually at our house or his as those were the biggest yards at the time. I remember his love of the Miami Dolphins (not very popular in Bills Country, LOL!) and the band KISS. So glad to read about the good he accomplished in his life and the people he helped along the way. Our condolences to his wife Kim and his family. Rest easy my brother! Peace and love from the Robinson Family.

I'm so sorry for your loss. It has been many years since I talked to Frank but I have many fond memories of him from our youth. I especially remember the awe in which I held his bravery at dressing up as Gene Simmons from Kiss and playing bass in the talent show. I played drums with him in the high school band and at the time didn't realize he even played the bass. I'll always remember him as a brave performer and good friend.
