**Charles Wright** posted:

I will always remember Shirley as the one who stepped in and made sure my nieces and Cheryl were cared for and in a good place when she was needed. She always had a smile and welcomed my family into her home with love. It has been a while since I personally have had the chance to see her, but I always knew she was there doing what she did best, loving and supporting her family. Rest well Shirley and my sincerest condolences to extended family.
