Bud-Bud, we shared long our of tears,laughter, Challenging times and more victories than I can count. Thank you for challenging me to be more than I ever thought I could . You inspired me to pray and love harder each passing day. A courageous man is a weak description of who you were and I was and still am so proud of you! We were a handful for Dolores , but even still we were best buds. Till we meet again Bud,Dimples AKA ROS will Always remember and love you. On Behalf of Ros and the Angels, Godspeed My friend.
