Dear FamilyAs a little girl, my parents, myself and both aunts visited the USA to see tante Rachelle and stayed at Roger and Isabelle's home in Totowa Borough. Roger kindly drove us all around even to Niagara Falls. We all had a wonderful time. Years passed and we saw each other again at Megan's wedding (they both had aged but not changed) and we also went to visit them in Florida and had lunch together (this time young Roger drove us around (Paul and I). our sincere condolences to Isabelle and the Familylove to allCathy Gijswijt-Pottillius Menen BelgiumI only met Roger SR. once, but i remember him as a man with stirdy beliefs...We share your loss from the other side of the Pond.Paul Gijswijt
