I have many memories of you and I loved you very deeply...I'm glad I could be part of many "1st" for you...first, live concert, first real vacation that you picked, first engagement ring(s)...list goes on...mostly, I just glad for the love...I'm sorry I didn't get to be there for the services...caring for my parents and Dad just got out of hospital...may you constantly be surrounded with joy, love, peace and the warmth of God's light...I know you're with your brother, wishbone, daisy and almond, among all your other loved ones...give a kiss to my brother and sister for me...you are loved forever, Jen....Teresa
