I thought of you today....I was fixing to reach out to you and instead, I found you had passed. I have many good memories of a life long ago with you. Remember when you ran through my yard and my dog bit you? That will teach you to throw eggs, lol. Remember when you stood by my side when Nicky was born? I don't know if you ever knew how much your friendship meant back then. How about when you took him to Double D's and he got a free donut with you. How about Magnolia Diner...and all of the chandelier pieces, knives, forks, and sauces placed in weird spots? Life was interesting with you. Thank you for caring. Thank you for your friendship. You are missed.
