WOW.....LQQK. PDB. It's been soooo long. I was just remembering when you had the chest of videos tapes that needed to be open. I was there to help. All those videos of horses, dogs and Colette with cigars. The nights you spent dubbing those tapes with Bob. GOOD TIMES. We're sure they're still in your heart in beautiful resting place? Your anniversary is coming up, have a cool glass and hope your AC is working. LOL. PS. Wendy and the crew also remembers you and your host of abilities. Bob Jr.

Dearest Bob, Pat and Family, Pat, since you met our family in the early 1970's, we knew you were distinctive and special. You joined in on our family vacations, moved close to us several times, became an Aunt to my brother and I. In the 1980's, when we were made aware of your afflictions, we were uncertain when you would leave us. Miraculously, and after exhausting measures, in 2009, we figured out that you would be with our family a little longer. Even after moving out of state, we kept in touch. Now that you are gone, we share in the belief that you are in a far better place than here with us today. Pat, we know you are missed, have a drink on us, some of us may see you soon. Robert Howards, II.

Words cannot express how deeply heartbroken I am. I will miss our late night conversations laughing about everything under the sun. I will miss your words of wisdom and calming advice. My life was forever changed with you in it. Your sweet smile and love for life was contagious. You were more than a friend to Jeff and I, you were like a mother and Aunt Pat to Brandon & "Flicka". I will cherish every memory and all the good times we had. My deepest sympathy to your family and for all of us during this difficult time. Rest in Peace my dearest friend.
