Wanda, we only knew you for a short while, but during that time we loved the fun times we had together with Chapter A in Michigan. The short time we spent with you and Ted before you moved to Florida was a fun time seeing your vivacious smile and the hugs that you would share. You are pain free now. Rest in peace.

Wanda, my dear friend, when I think of you I see your warm smile and fun personality, always ready to give a warm hug. I greatly admired your poise, confidence and professionalism. We enjoyed so many fun rides and events with you and Ted and Chapter A. You will be missed by so many that were close with you. Your pain is gone now, may you rest in peace. Sincerely, Sylvia & Allen Pocock

Wanda lived many wonderful lives; wife, mom, grandma, and more. To me, Wanda will always be the kind and generous co-worker turned friend who truly loved those who shared her work life and delighted in their successes, both professional and personal - most importantly, personal. Wanda knew that a happy home made for a happy career and inspired so many to be their best self, including me. I will miss her steady confidence and love of life and will pray for her family and friends. - Claudia Ashcraft, Commerce Twp., MI
