Prahasky family, I'm the youngest of five that grew up just down the road, and Jason was a year or two behind me. We had many friends in common and I'll always remember Jason's bright and infectious smile. May your own memories bring comfort and peace to you and yours. Scott Anderson & The Anderson family.

Jason was a former student of mine at Hudson Middle School during the late 1980's. He was a wonderful young man always with a great smile, good attitude. And always willing to help other classmates who required assistance. One of my fondest memories of Jason was one Day Jason telling me to take a break Boss, I'll teach the class! He did wonderful! God Bless Jason and his family 🙏!

I have so many wonderful memories of Jason that I will never forget, but I what I will remember the most is his big smile and his laugh. I am deeply saddened to hear of his passing but I know he's up in Heaven hanging out with many of our other friends who were also taken too soon. You will be missed, JP ❤️
