Hello. To you I might be a stranger, but to Henry, I was an opportunity and a chance which he took the time to train and work with. My name is Haitham Awwad. I had worked with Henry between 1988 and 1993 when he had Elam Data Services in Chappaqua NY. He was a good mentor, definitely had a hearty laughter, and a good communicator. He did however hurt a good friend of mine, and I was saddened for it. Nonetheless, May god bless his soul,
