My father, John Park, considered Saul, or "Solly," as we knew him, to be his best friend at Brighton Gardens assisted living in Columbia, Maryland. They were almost the exact age and had both been in the U.S. Air Force, so they had quite a bit in common. We were always glad to see him and he to see us! He will be greatly missed by so many. Our sincere sympathy to his family.

Our family will really miss "Solly," as we called him. Our dad moved into Brighton Gardens of Columbia in MD in 2017, and Solly instantly befriended him and helped ease his transition into Assisted Living. They truly became best friends. Our mom, also living at Brighton Gardens, was also happy to see Solly whenever possible. We are grateful that our mom and Solly got to visit for a bit this June. Our very sincere condolences go your entire family.
