Love at first sight. We just clicked. He walked up to my desk with his beautiful handbag & Sassy bow & I knew I was gonna love everything about him .. and I was right. His personality was everything - even when annoyed he never broke character. He always smelled amazing & Paris will always smell best on him. Rocking out to Brittany wont be as fabulous anymore, but I will continue because it's Brittany B**ch 😊 Nights out with him were a game changer & they will never be the same. I love you forever. My favorite Ninja & Sassy ass bow tie babe. I love you girl - forever.

Angelina lit a candle in honor of Joseph.

I remember my first day at Lowe's! Joseph walked in the break room and said "ugh newbies" and then laughed and sat down with me. We talked my entire lunch and he was my first friend at Lowe's ! Such an amazing person.

I met Joseph through his mother when I was a recruiter for the Army, and to say that he made an impact in my life - he did so Joseph style! Deborah and I were having dinner at a local restaurant and Joseph showed up and crashes our dinner. His exuberance for life, witty comments, and sense of humor had me almost falling out of my chair because I was laughing so hard. To see the love he had for his mom was very touching. I was saddened to hear that he passed. he will be missed.
