David and I extend our condolences to you, Ron and family. We have had many fond memories from the past years. Louanne has been in our family for so many years,,even from when I was a child. She has been a wonderful sister-in-law. and we have enjoyed spending time with you and her. So many memories as a child from swimming at the lake, roller skating and even vacationing together in California. Plus your visits to Michigan. We will sincerely miss her and her daily comments on Facebook. Some of her comments were encouraging, some were direct and some of her political comments were just the best! She made us smile, laugh and enjoy her positive and fun conversation. Absolutely we will miss her and there will be a void in our family. Condolences and prayers for all of you. With love and much caring:Diane and David Denkhaus and family

Many memories of roller skating at her parents, Dan & Louise Briggs, Island Lake Roller Rink. I remember, Louanne & Ron roller skating together, they were so graceful. The times they took us sledding and ice skating on Island Lake, playing "crack the whip" & pulling us younger kids in sleds when we couldn't keep up. Many memories of holiday family get together 's..swim parties at their house in Brighton and always the love of "Roller Skating." We started skating as little kids to teenagers to adulthood & then taking our kids roller skating. Thank you Louanne & Ron for our love of rollerskating ! Love, your SIL Jan Shekell Fairbanks
