# Leroy Johnson

MAY 17, 1924 - DEC 19, 2021

**L**eroy C. Johnson, age 97, went into the presence of his Savior on December 19, 2021. Born and raised in Chicago, IL, he became an electrical engineer. During that time, he met and married Audrey, the love and prayer warrior of his life. After a short career, he and Audrey attended Moody Bible Institute, resulting in them becoming missionaries to South Korea in 1956, just after the war had ceased. Together they established churches. Some of which began with 20 people and today have congregations over 1000. Subsequently, they served in Trinidad, South Africa and Zimbabwe. He also was interim pastor in Chelsea, MI.

He leaves behind, his adorable wife, sons John (Tracee) Stephen (Debbie) and Nate (Anna) as well as multiple grand and great grandchildren. "I have fought the good fight. I have finished my course. I have kept the Faith." A graveside memorial service will be held Wednesday January 5, at 11 AM at Grace Memorial Gardens, Hudson FL.

Sending all my love and hugs to you Audrey, John, Steve, Nate and families. Bud was our TEAM partner for those many years in Trinidad where we shared the Gospel together and had many fun and fellowship times in our homes and up on Victory Heights. We were just not workers together but "family". Bud was so faithful in telling others of God's love and the expectancy of being in Heaven forever. You have a wonderful legacy. May God comfort your hearts along with His peace that oneday we shall all be reunited at the feet of Jesus. Love you bushels, Elaine Crane

We have memories of both Bud and Audrey that cover decades . . . memories of Bud preaching at our then little church. Each Sunday he gave God's message for our church body . . . the joy of salvation and knowing Jesus had forgiven us and made us part of God's eternal family, the excitement of allowing the Holy Spirit to power our lives and live as God planned. We remember their stories of mission work in Korea and Trinidad including the dangerous and sometimes funny experiences. Not a day went by whenever Bud met a stranger that he didn't give the story of Jesus gift of salvation. whether on the phone or in person. The number of lives both he and Audrey have touched will only be counted in glory. We know they touched our lives in numerous ways, never to be forgotten. Patricia and Dick Stebelton
