Bonnie Damon sent a virtual gift in honor of Dorothy.

Dottie was so special, such a special friend & I loved her like a sister. We moved to Southern MD in 1979 from North Syracuse NY. I feel we met shortly after that! Our daughter's were the same age & met in elementary school (Eva Turner). They become fast friends that lasted for years!❤️ Later I had another baby girl & another friend adopted a baby girl from Korea about the same age as mine, anyway somehow we got together & the three of us became close friends. We did so much together with our families, Thanksgiving, Christmas, 4th of July, etc. It was so hard for me when both moved away but life goes on! I was lucky to be able to visit Dottie & Ray in Florida a couple of times.🙏 Dottie will be in my heart forever!❤️ Love you my dear friend💕 Bonnie Damon🥹

I just found out that Dottie died in 2022. She was a great friend of my mother who died in June 2019. My parents lived across the street from Dottie and her husband. My father Bob Neely died in 2004. My mother Noreen Neely moved to the Eastern shore to be closer to me and my husband in 2007. Dottie would send cards each week when my mother went into assisted living in 2018. God Bless you Dottie you were a wonderful person. I hope you and Noreen have met again in Heaven. Pat Neely Kindle
