Kelly Marie Ivester

MAR 27, 1986 - MAY 1, 2022

I VESTER, Kelly our daughter, God's daughter, my sister, Dominick & Khloe's mother, 36, of Brooksville, FL, died on May 1, 2022 after a hard-fought battle with cancer. She lived her way. She was the best mother in the entire world. She made us all promise that her babies would be taken care of. She felt that her kids were the only thing she ever got perfectly right in life. Kelly was such a good person. She is in Heaven now. We will never forget her.

Visitation will be held at Grace Memorial Funeral Home on Friday, May 6 from 11:00 AM - 1:00 PM. A Celebration of Life will happen at 1:00 PM. Interment will follow immediately after.

Kell, I am sending my biggest hugs and kisses today, it's a hard day, I have so many wonderful memories, you had the best laugh, a smile that could brighten any day, the eyes of an angel..... you are no longer suffering and I take comfort in knowing that but I have moments of selfishness where I wish I can have another day with you. You were an amazing mother, and aunt to my girls, I cannot thank you enough for always taking photos, even if I complained, you made me realize how important it is.... I'll see you on the other side, until then rest easy baby girl. I love you forever & always mama. Rest in paradise babe.
