We want to express our sincere condolences to Shirley and all of Lee's family. He was a great friend. We grew up together and our friendship lasted for more than 60 years. We were so happy that he found a wonderful woman like Shirley to spend the rest of his life with. We will always keep Lee alive in our hearts. Let us all be comforted knowing that he is no longer suffering and is now at peace. Our loss is heaven's gain. Sincerely, Angelo & Gloria Velazquez

Ed was a true and loyal friend to so many people..His abundant energy and deep devotion were two of many characteristics that made him one in a million. He was always willing to help a friend . There are not too many men who actually love to shop...and he was that person!. He happily would take friends to many different store, not ever slowing down, he enjoyed just being there. His complete devotion to Shirley was so apparent. He was her life partner and best friend. She was the best thing in his life and he cherished her. They had a very special marriage filled with adventures, family and friends . Ed's friendship was a gift which we were lucky to have shared.We have so many wonderful memories of special times together. We are beyond sad , it is so hard to say good bye to such energetic, kind, thought-filled friend . However we know there is a true, loyal angel watching over us. God bless Ed,our newest angel.Eileen and Don Buckley
