Wow. I don't have many memories, as Rick left when I was 7. But it would have still been nice to be included in the obituary, and maybe even let know that he passed. Sincerely, His daughter

Rick and I were teenage sweethearts. We reconnected around ten years ago and became best friends. We shared a lot of precious memories. He was stubborn and bullheaded but you always knew where you stood with him. I was always grateful for his candid advice. Rest In Peace Darlingest.
