To my Godmother, Words can't express how sad we were to hear the news. You were so loved. You always thought of us, especially through our toughest times. Thank you for sharing your life with us. I will miss hearing your voice. My deepest sympathies to Debbie and family. Love always, Eddie and Margaret

Often want to pick up the phone to call you. At least I have the memory of our last conversation on your Birthday 2 weeks before you passed. I'll miss my forever friend. ❤️ Your Godson Eddie and his wife Margaret also called you for your Birthday so thank God for that memory.
