Dolores, my mother in law, 93, has joined her husband in looking over our/ Her family. She will be missed. Last 8 years have seen ups and downs, but family takes care of family through thick and thin. Please pray for our family during this difficult time. RIP Dolores and continue to watch over your family as a guardian angel from above.

It has been my joy and pleasure to work with Delores, her late husband Elliot and her family as a respite caregiver for the past six years. She was a beautiful soul. Kind, generous and loving. I would hear her at night talking to her husband Elliot reminding him to keep a careful eye on her children, grandchildren and great grand children. Listing them one by one by name and letting him know if there was a particular concern she needed him to attend to. It comforts me to imagine her now at his side on loving guard. I miss her.

Dolores was the best mother-in-law one could ask for. Even though I've only know her and her family these last 17 years, her and her husband always treated me like family. Rest in Peace with your forever loving Husband, Eliot. Kris
