Not sure. If you can remember me or not. But when tony had the drum set in his bedroom, we used to hang out, and i've listened to him trying to play.

Mrs. Mabel. I'm so sorry for your loss. I just found this out about Tony. He was one of my best friends growing up. He always took care of me in school. He never allowed anyone to harm me. I can remember riding with him on an old kawasaki motorcycle, going down ninetieth avenue in Pinellas Park . He scared me to death, but we made it to the end lol. His friend, Scott Gerlaugh
