Jill made such an impact on me. I visited the Ostomy support group in September of 22 with my husband. I was told I would need an Ostomy for life. Jill and Vic were friendly, open and amazing. She shared so much and gave me confidence that all would work out. I ended up not needing a lifetime Ostomy but meeting Jill and Vic and the other people from the group is one of the biggest blessings I found during this difficulty time in my life. I am truly sorry for her passing. Vic- big hugs. I am confident in her eternal destiny. She loved God so much. Love you, Jill!

Don and I met Vic and Jill through the Hernando Ostomy group in August, 2016. Don and I were having problems coping with this change. At that time, we just started the group. I needed their help, and they invited me over and gave me life changing information. Don and I will always cherish their friendship. Jill was an amazing woman with a Great smile and Laugh. R.I.P Sweet Lady until we see you again. Don and Charlene DeHayes March, 22, 2023

Gay and I enjoyed Jill and Vic's company in the Gideons and many visits to Texas Roadhouse. We will always remember that Jill never mentioned her illness nor her pain. She was always an example of how to endure adversity. The Lord has gained an angel. Bill and Gay Webb
