This has been a very sad night because I found that my Aunt Peggy and my cousin Nathaniel have both passed. I have such fond memories of staying at their house in Florida when we went to visit and vacation at Disney World when I was 12 years old. I am 59 years old now. Although I am much older now and I realize life does pass aside I'm still very sad to see this. May you be resting in peace Aunt Peggy. You're with your son now and the rest of your family will be with you again one day. I hope you remember me, Bob's daughter from West Virginia.

Sophia(Peggy) was a wonderful friend for 53 years. I will never forget her. She had one of the most beautiful singing voices I've ever heard. She could put chills up and down my arms when she sang. I will never forget her voice or anything about her. I loved her the moment we met. Jan Rash

We know you are now living your best life with those that left before you. Especially your mother and Nathan. The farm isn't the same with you gone. Give my mom a hug from me.
