AN

**Anita** posted:

There were 12 of us that started doing most things together after moving to Timber Greens. Donna was part of the 12, we golfed, went to the pool, played cards, played Bunco, Euchre, celebrated life together once a month with spouses, and had monthly gatherings to celebrate our Birthdays. She was a great friend and neighbor, ALWAYS kind, loving and fun to be with. I will miss her. Anita Warnimont
