**D**eborah Ann DeForest (Age 69) Deborah Ann DeForest of Spring Hill, FL, passed away peacefully Monday, April 16, 2024 at her home in Florida with her husband by her side. Loving wife of William Richard Sauer, beloved stepmother to Paul William Sauer and Holly Michelle Sauer and the loving grandmother to Eloise Jane Sauer. Deborah is also survived by her mother, Janet Jones, brothers John, Bryan, Warren and Scotty Gall as well as her sister Cheryl Gall.

Deborah was diagnosed with endometrial cancer on April Fool's Day 2023 and then diagnosed with related kidney failure on April Fool's Day 2024. Deborah fought a hard fight for that intervening year and finally succumbed to the cancer shortly thereafter.

Deborah's presence and energy were immediately felt whenever she entered a scene. She had the Biggest, Brightest smile, the most infectious laugh, and a genuine giving heart. She truly touched and was loved by many souls.

Deborah, I am thankful for you every day, all I want is to hold you forever, I am thankful every day for your love, your loving husband, Bill.

Brian & Paula Davidson. Our sincere condolences for your loss. We were close friends with Rick & Deb from our Navy days in the 1970's up to the 1990's. She was a sweet lady with an incredible personality and a wonderful smile. Like others have stated, she had the ability to light up the room and lift the spirits of those around her. Again, So sorry for your loss.
