I remember seeing Mr. Kreischer in the car line at school. As a kid, I remember thinking he reminded me of my uncle- listening to oldies, working on hot rods, he was always on the move! It was a hip place to be when I would hang out there. Mr. Kreischer is survived by his family, siblings, even children- who love him and keep him well in their hearts. I too think of him often as I reminisce on the past, he is missed.
