Bonnie Jean Gardner

MAR 18, 1965 - AUG 4, 2024

It is with great sorrow that we announce the passing of Bonnie Jean Gardner, a beloved mother and friend to many. Bonnie was born on March 18, 1965, and passed away on August 4, 2024. She is remembered as a warm, loving, and vibrant woman who lit up every room she entered.

One of Bonnie's most cherished roles in life was being a mother to her children, Darek Rossman and Jennifer Midkiff, and grandmother to her grandson, Chris. Bonnie's love for her family was profound, and she often espoused the lesson that family mattered most.

The legacy Bonnie leaves behind is one of kindness and generosity. Her earnest desire to help others, her unconditional love for her family, and her ceaseless optimism will continue to inspire all who knew her.

Bonnie Gardner's light may have left this world, but her spirit lives on in the hearts and minds of those she touched. She will be missed dearly, but her lessons, love, and ideals will continue to guide us. We take solace in the fact that her love and kindness will forever be a part of us, shaping our lives for the better. Rest in peace, Bonnie.

In lieu of flowers, contributions are being gathered for the American Cancer Society. If you wish to honor Bonnie's memory, donations can be made through <https://everloved.com/life-of/bonnie-gardner/donate/>
