I'm Michael's Cousin, I have been talking to him for many years when his daughter went to school and has excelled. Making Michael and family very proud of Victoria. He loved Victoria and they both help each other support. Michael has always brag about his daughter. We are all sad about Michael but we know after all his pain he was in that he will be in a better place with God's Glory. God bless Michael and may his memory will be eternal God bless him and his family
