Mary, Maurice here, I am so sorry to here about Duane's(Big Daddy) as we called him, passing. You may not remember, but Duane and I worked at Humphrey Chevrolet together before We Energies, so have been friends for over 40 years, and during that time we became super close friends and shared a lot of good and not so good times together. He always and always had a smile on this face, he will really be missed. May the Lord be with you and the family in this time of need.

Mary, Tom L here. Duane's passing got me to thinking about when he and I worked together at We Energies. As you know we were part of tight-knit group of fleet technicians who spent many years together. I guess you could say in some ways we all kind of "grew up" together. We had a lot of good times, many laughs, and even managed to get some work done too. I'll be reflecting on Duane and those memories in the coming days. Sorry for your loss.....
