So sorry for your loss and the loss to Mike and Roxanne and Michael Ryan, and children met you and your family 18 years ago and know she had so much love in her heart for all of you. No one can answer why other than God needed another angel

One of my favorite Colleen memories is when I was delivering my second child. I was a C-section and my mom totally bribed the doctor with chocolate and candies so she could be in the operating room with me and my husband. She had such a way with people!!! Miss you mama
